KBCloud Technologies Limited

I.   Service Category (C) Cloud IT Services

Table 1: Cloud IT Services Items

Item Number	Item Description	Manufacturer
C00001	ECS: An Elastic Cloud Server (ECS) is a basic computing unit that consists of vCPUs, memory, OS, and Elastic Volume Service (EVS) disks.	Huawei
C00002	EVS: Elastic Volume Service (EVS) provides persistent block storage for services such as Elastic Cloud Server (ECS) and Bare Metal Server (BMS). With advanced data redundancy and cache acceleration capabilities, EVS offers high availability and durability with an extremely low latency.	Huawei
C00003	OBS: Object Storage Service (OBS) is a cloud storage service optimized for storing massive amounts of data. It provides unlimited, secure, and highly reliable storage capabilities at a relatively low cost.	Huawei
C00004	SFS: Scalable File Service (SFS) is a network attached storage (NAS) service that provides scalable high-performance file storage.	Huawei
C00005	RDS: Relational Database Service (RDS) is a cloud-based web service that is reliable, scalable, easy to manage, and ready for immediate use. RDS supports the following DB engines: MySQL PostgreSQL Microsoft SQL Server.	Huawei
C00006	ELB: Elastic Load Balance (ELB) automatically distributes incoming traffic across multiple backend servers based on the listening rules you configure. ELB expands service capabilities of applications and eliminates single points of failure (SPOFs), improving application availability.	Huawei
C00007	CBR: Cloud Backup and Recovery (CBR) enables you to back up Elastic Cloud Servers (ECSs), Bare Metal Servers (BMSs), Elastic Volume Service (EVS) disks, SFS Turbo file systems, and on-premises VMware virtual environments with ease. If there is a virus intrusion, accidental deletion, or software or hardware fault, you can restore data to any point in the past when the data was backed up.	Huawei
C00008	CSBS: Cloud Server Backup Service (CSBS) offers backup protection for Elastic Cloud Servers (ECSs). It works based on the consistency snapshot technology for Elastic Volume Service (EVS) disks, meaning you can seamlessly use backup data to restore ECS data.	Huawei

II.   Government Public Cloud Related Services

Table 2.1 : Staff Service

Item No.	Description of Services	Staff Category
1	Cloud Technologies Consultant	1

Table 2.2 : Installation and Maintenance Service

Item No.	Description of Services
1	Cloud Technologies Installation, Configuration and Maintenance Services
