

Standard Terms of Quotation

The terms set out below shall be deemed incorporated in each Brief to be issued by Government B/Ds inviting Proposals under the GITP scheme.

1. Request for Information

1.1 In the event that the Government determines that:

- (a) clarification in relation to any part of the Proposal is necessary; or
- (b) a document or a piece of information, other than the items set out in Clause 1.2(a), is missing from any Proposal.

it may, via the e-Procurement System or otherwise, but is not obliged to, request the Bidder concerned to make the necessary clarification, or submit the required document or information. The Bidder concerned shall within five (5) working days from the date of the request or such other period as specified in the request submit such clarification, information or document in the form required by the Government. A Proposal will **not** be considered further if complete information or document required is not provided as required by the deadline as specified in the request, or in the case of clarification, such clarification is not provided by such deadline or is not acceptable to the Government. Without prejudice to the foregoing, any proposal or information supplied by a Bidder which goes beyond what has been requested by the Government will be ignored for the purposes of the Proposal evaluation or will entitle (but not oblige) the Government to disqualify the Bidder concerned. As an alternative to seeking clarification or further information or document, the Government may not consider the Proposal further or may proceed to evaluate the Proposal on an “as is” basis.

1.2 The items not covered by Clause 1.1(b) are:

- (a) any document or information in respect of which it is specified in the Invitation Documents that a failure to provide to the Government in a Proposal at the time of submission of the Proposal or before the Proposal Closing Time will result in the Proposal **not** being considered.

2. Authenticity of Documents Submitted

- 2.1 By submitting a Proposal, the Bidder authorises the Government to obtain from
- (a) any person whose particulars are set out in the Proposal or documentation attached to the Proposal (“Proposal Documentation”) submitted by the Bidder including the manufacturer; and
 - (b) any issuing body of any of the Proposal Documentation.

All such information which the Government considers appropriate and relevant including information to verify the legitimacy, completeness, authenticity and accuracy of any Proposal Documentation submitted by the Bidder. If any consent from any other person is required for the Government to obtain any of the aforesaid information or document, the Bidder (and, where applicable, the Contractor) represents that such consent has been duly obtained.

3. Intellectual Property Rights in respect of the Proposal

- 3.1 The Government and its authorised users shall have the right to do any of the acts restricted by copyright under sections 22 to 29 of the Copyright Ordinance (Chapter 528 of the Laws of Hong Kong) in respect of the Proposals and all related documents or materials submitted by the Bidders, for purposes including but not limited to quotation evaluation, contract management, record keeping, the disclosure made pursuant to paragraph 7 of the GITP Participation Terms and Conditions and all other purposes incidental thereto.

4. Offer of Products

- 4.1 The Government does not accept any used or refurbished or parallel import goods, products or equipment. If a Bidder fails to comply with this requirement, its Proposal will not be further considered. By submitting a Proposal, the Bidder undertakes and declares that all products and equipment

Government Procurement of IT Products (GITP) Scheme

it offers in response to this Invitation to Proposal will be fresh from stock and/or a factory.

5. Communication with the Government

- 5.1 Only those communications which are in writing from the Government shall be considered as duly authorised to have been made on behalf of the Government. Equally speaking, only communications from the Bidder which are in writing and are stated to be made by or for and on behalf of the Bidder will be recognised by the Government as duly authorised to have been made by or on behalf of the Bidder.
- 5.2 Unless the Government wishes to contact any other person, all communications connected with or arising out of the Invitation Documents shall be conducted directly between the Government and the Bidder irrespective of the number of manufacturers or sub-contractors involved.
- 5.3 Unless otherwise expressly stated by the Government in writing, a statement made whether oral or written in response to any enquiry made by a prospective Bidder shall be for information only. No such statement shall constitute a representation or warranty of whatsoever nature, express or implied, and no invitation is made by the Government to any Bidder or prospective Bidder to rely on the accuracy or completeness of such statement. Unless in the context of an issued addendum to the Invitation Documents, the statement will not be deemed to form part of these Invitation Documents and it shall not alter, negate or waive any of the provisions set out in these Invitation Documents.

6. Government Discretion

- 6.1 Notwithstanding anything to the contrary in these Invitation Documents, the Government reserves the right to disqualify a Bidder on grounds including any one of the following:
 - (a) a petition is presented or a proceeding is commenced which has not been withdrawn any time prior to the award of the Contract or an order is made or a resolution is passed for the winding up or bankruptcy of the Bidder or its related person;

Government Procurement of IT Products (GITP) Scheme

- (b) the Bidder has made or submitted a false, inaccurate or incomplete statement or representation or a forged document in the Proposal or in any subsequent submission by the Bidder or communication between the Government and the Bidder since submission of that Proposal, or in the sole judgment of the Government, the Bidder is not considered fit and proper to perform the Contract;
- (c) in the event of (i) a claim or allegation by any person, or a ruling or judgment by a court, or decision by a competent tribunal or arbitration body that any thing(s), service(s) or material(s) supplied or previously supplied or to be supplied or recommended by the Bidder or its related person in the Bidder's Proposal infringes or will infringe any Intellectual Property Rights or any other rights of any person ("IPR infringement") (and in the case of any claim or allegation, it was made any time during a period of five (5) years preceding the Proposal Closing Date and up to the time of award of the Contract); or (ii) the Government having grounds to believe there is or will be such IPR infringement; or (iii) an agreement has been entered into whether by the Bidder or any other person to settle or compromise any claim or allegation about IPR Infringement (regardless of whether on an admission basis or non-admission basis) which agreement is still valid and subsisting at any time during a period of five (5) years preceding the Proposal Closing Date and up to the time of the award of the Contract; or;
- (d) any time during the twenty-four (24) months prior to the Proposal Closing Date or between the Proposal Closing Date and the award of the Contract, the Bidder or a related person of the Bidder was in significant or persistent default(s) or deficienc(ies) in the performance of any substantive requirement or obligation under any Government contract awarded by the DPO or the Government Logistics Department or the Government B/D (which is inviting party of the relevant Brief) regardless of whether the default(s) or deficienc(ies) led to the actual termination of the relevant Government contract and regardless of whether such default(s) or deficienc(ies) occurs before or after the termination or expiry of the relevant Government contract, and in the case of the latter, provided that the default(s) and deficienc(ies) relates to any provisions which survive such termination or expiry, and

Government Procurement of IT Products (GITP) Scheme

regardless of whether such default(s) or deficienc(ies) has been remedied (a “Contract Default”); and the Government B/D Representative in its sole judgment is satisfied that such Contract Default(s) casts a reasonable doubt on the capability of the Bidder to perform the Contract to be awarded in this Invitation to Proposal;

- (e) the Bidder or a related person or a director or management staff of the Bidder has been convicted by the final judgment (i.e. judgment not subject to any appeal to a higher court prior to the award of the Contract) in respect of one or more serious offences including conviction of offences involving bribery, false accounting, corruption, dishonesty or employment handed down any time during a period of five (5) years preceding the Proposal Closing Date and thereafter up to the time of the award of the Contract;
- (f) in the event of any professional misconduct or any act or omission having been committed during a period of five (5) years preceding the Proposal Closing Date and thereafter up to the time of the award of the Contract that adversely reflects on or casts doubt on the commercial integrity of the Bidder or a related person or a director or management staff of the Bidder; or
- (g) any failure of the Bidder or its related person to pay taxes to the Government during a period of five (5) years preceding the Proposal Closing Date and thereafter up to the time of the award of the Contract.

The grounds specified in Clauses 6.1(a) to 6.1(g) above are separate and independent, and shall not be limited by reference to or inference from the other of them.

- 6.2 Notwithstanding anything to the contrary in the Invitation Documents, the Government B/D Representative reserves the right to disqualify a Bidder on the grounds that the Bidder (including any contractors / sub-contractors / suppliers / service providers that may be further engaged by the Bidder) has engaged, is engaging, or is reasonably believed to have engaged or be engaging in acts or activities that are likely to cause or constitute the occurrence of offences endangering national security or otherwise the exclusion is necessary in the interest of national security, or is necessary to

protect the public interest of Hong Kong, public morals, public order or public safety.

7. Warranty against Collusion

- 7.1 The Bidder must ensure that the Proposal is prepared without any agreement, arrangement, communication, understanding, promise or undertaking with any other person (except as provided in paragraph 3 of Annex A (Non-collusive Certificate) referred to in Clause 7.2), regarding, amongst other things, price, Proposal submission procedure or any terms of the Proposal. Bid-rigging is inherently anti-competitive and is considered serious anti-competitive conduct under the Competition Ordinance (Chapter 619 of the Laws of Hong Kong). Bidders who engage in bid-rigging conduct may be liable for the imposition of pecuniary penalties and other sanctions under the Competition Ordinance.
- 7.2 The Bidder shall complete and submit to the Government in the Non-collusive Certificate as part of its Proposal.
- 7.3 In the event that a Bidder is in breach of any of the representations, warranties and/or undertakings in Clause 7.1 or in the Non-collusive Certificate submitted by it under Clause 7.2, the Government shall be entitled to, without compensation to any person or liability on the part of the Government:
- (a) reject the Bidder's Proposal;
 - (b) if the Government has accepted the Proposal, withdraw its acceptance of the Bidder's Proposal; and
 - (c) if the Government has awarded a Contract to the Bidder, terminate the Contract under Clause 27 of the Conditions of Contract.
- 7.4 By submitting a Proposal, a Bidder is regarded to have undertaken to indemnify and keep the Government fully and effectively indemnified against all losses, damages, costs or expenses arising out of or in relation to any breach

Government Procurement of IT Products (GITP) Scheme

of any of the representations, warranties and/or undertakings in Clause 7.1 or in the Non-collusive Certificate submitted by it under Clause 7.2.

7.5 A breach by a Bidder of any of the representations, warranties and/or undertakings in Clause 7.1 above or in the Non-collusive Certificate submitted by it under Clause 7.2 may prejudice its future standing as a Government contractor or service provider.

7.6 The rights of the Government under Clauses 7.3 to 7.5 are in addition to and without prejudice to any other rights or remedies available to it against the Bidder.

8. Warning against Bribery

8.1 The offer of an advantage to any Government officer with a view to influencing the award of the Contract is an offence under the Prevention of Bribery Ordinance (Chapter 201 of the Laws of Hong Kong). Any such offence committed by a Bidder or any of its officers (including directors), employees or agents will render its Proposal null and void.

8.2 The successful Bidder awarded with the Contract shall inform its officers, employees (whether permanent or temporary), agents and sub-contractors who are connected with the performance of the Contract that the soliciting or accepting of advantages, as defined in the Prevention of Bribery Ordinance (Chapter 201 of the Laws of Hong Kong) is not permitted. The successful Bidder shall also caution its officers (including directors), employees and agents and sub-contractors against soliciting or accepting any hospitality, entertainment or inducement which may impair their impartiality in relation to the selection of its sub-contractors, if any, or the supervision of the work of the sub-contractors once selected.

9. United Nations Convention on Contracts for the International Sale of Goods not applicable

Government Procurement of IT Products (GITP) Scheme

- 9.1 The provisions of the United Nations Convention on Contracts for the International Sale of Goods shall not apply to Invitation Documents or the Proposal submitted by a Bidder in response to the Invitation Documents.
